## **DDS Wireless Lands Customer in Greater Toronto for its Pathfinder™ Solution Schedules 2009 Year-end Earnings Release and Conference Call**

**Richmond, BC, February 16, 2010** – DDS Wireless International Inc. reports that its Taxi business unit, Digital Dispatch, has signed a contract with A1 Taxi, the largest taxi fleet in Brampton, Ontario. The contract includes the implementation and licensing of Digital Dispatch's leading Pathfinder™ taxi dispatch solution along with the DDS's iMax 8000™ mobile data terminals.

A1 Taxi has served the Brampton region in the Greater Toronto Area ("GTA") for over three decades. By implementing Pathfinder for fleet dispatching with the newly released iMax 8000 data terminals, A1 can offer superior customer service and efficiency that enables an enhanced in-cab experience for both drivers and passengers.

A1 joins the elite group of taxi companies in Ontario that are using DDS systems. These include Royal Taxi in Toronto, United Cabs in Kitchener, Waterloo Taxi, Golden Triangle Cabs, Veterans Cabs in Windsor, U-Need-a-Car in London, Kwik Kab in Brampton, City Taxi Toronto, All Star in Mississauga, and City Cabs in Kitchener and Mississauga.

"Pathfinder™ provides the ability to track and locate our cars, automate the dispatching process and provide secure and efficient processing of credit and debit card transactions. These are very important capabilities to enable us to drive efficiency and the highest levels of customer service, in addition to providing a platform to grow and expand our fleet", stated Makhan Dhothar, General Manager of A1 Taxi.

### **2009 Earnings Release and Conference Call Scheduled**

DDS Wireless will release its 2009 year-end financial results on March 5, 2010 before 8:00 am Eastern time. The financial statements and MD&A will be available on the Company's web site and on SEDAR at that time. The Company will also host a conference call at 12:00 pm Eastern time on the same day to discuss the financial results. Please call 416-340-8061 / 866-225-0198 to participate in the call. A replay of this conference call will be available through March 14, 2010, by dialing 416-695-5800 / 800-408-3053 and entering access code 2024488.
