March 15, 2007*

**Richmond, BC, March 7, 2007** - Digital Dispatch (TSX: DD), a leading provider of mobile data solutions, is pleased to introduce its new Vice President of International Operations, Ken Piaggio. The Company is also excited to announce a recent sale in Everett Washington.

Ken Piaggio joins the Digital Dispatch team with over 18 years of experience in hi-technology service delivery, IT management, operations management and quality management. Mr. Piaggio will be overseeing the worldwide customer service and IT organization for Digital Dispatch. Ken previously worked with TIR Systems Ltd where his roles included: VP of Operations, VP of Service Delivery, and Director of BP Business Group. He also worked with NICE Systems where he held the positions of VP of the Customer Support Centre, The Americas, and Director of IT, North America.

"I am looking forward to working with a company that has an international reputation for high quality products and services, as well as over 20 years of experience in the industry," commented Ken Piaggio, Vice President of International Operations. "I am eager to move ahead with the company's new strategic direction and contribute to a successful and strong year in 2007 and beyond."

Digital Dispatch is also delighted to welcome a new client, Yellow Cab of Washington, the largest cab fleet between Everett and Bellingham, WA. The Company has purchased PathFinder™ software to run on 60 Vector 530™ units complete with GPS and credit card processing.

### 2006 Year End Earnings Release

In addition, Digital Dispatch will announce its year end 2006 financial results Thursday, March 15, 2007, before the opening of the Toronto Stock Exchange. The financial statements and MD&A will be available on the Company's Web site and on SEDAR at that time.

The Company will also host a conference call at 5:00 PM EST following the market close on the same day to discuss the results. Please call 416-695-5259 or 1-877-461-2814 to participate in the call. A replay of this conference call will be available until Thursday, March 22, 2007, by dialing 416-695-5275 or 1-888-509-0081 and entering access code 640818.
