DDS Wireless Appoints New CFO **Annual Meeting 2008 Voting Results**

Richmond, BC, June 19, 2008 – DDS Wireless International Inc. (TSX: DD), a global leader in providing applications software and solutions for wireless fleet management to multiple markets, is pleased to announce the appointment of Mr. Jim Zadra as its Chief Financial Officer. Mr. Zadra assumes his position on July 14, 2008.

Mr. Zadra is a Chartered Accountant with over 14 years of experience in corporate finance and professional services. Most recently, he served over 5 years as Vice President of Finance, North America, for Sophos, a leading information technology security and control company with a presence in more than 150 countries. Mr. Zadra has held senior positions with broad responsibilities in corporate finance, strategic planning, corporate development and consulting over the course of his career including senior roles at ActiveState Corporation, Canaccord Capital and Deloitte & Touche. Mr. Zadra holds a Masters of Business Administration degree from Queen's University and a Bachelor of Commerce from University of British Columbia.

"I am very excited to join DDS Wireless at this very pivotal point in its evolution. I look forward to working with the senior management team to continue to build on the success of the recent reorganization and acquisitions, and execute on further initiatives to drive growth and value for our shareholders," said Mr. Zadra.

"Jim not only brings a diverse expertise that spans all aspects of corporate finance including operational analysis, planning and forecasting, but also a strong background in corporate tax as well as public markets, thanks to his role as an Analyst at Canaccord Capital. I welcome him to DDS Wireless. We look forward to sharing many successes under his leadership," said Vari Ghai, CEO for DDS Wireless.
