Digital Dispatch Appoints George Reznik as CFO **Q2 2006 Results on August 3rd; Collaboration with Unified Dispatch**

Richmond, BC, July 19, 2006 – Digital Dispatch Systems Inc. (TSX: DD), is pleased to announce the appointment of George W. Reznik as its Chief Financial Officer.

“George Reznik brings a wealth of leadership experience in strategic business growth and corporate finance in some of the leading companies,” said Vari Ghai, CEO and President for Digital Dispatch. “His diverse professional expertise in such leadership roles plus his experience in both the U.S. and Canadian public capital markets are a definite asset for us. We are looking forward to having him on our team.”

Reznik’s most recent position was the CFO and COO of Infowave Software where he led the executive team and was instrumental in prompting an effective turnaround of business operations. He served as the Vice President of Finance for Pivotal Corporation where he led the company through an Initial Public Offering on the Nasdaq and Toronto Stock Exchange during Pivotal’s high growth phase with a 7-fold increase in revenue and company size. Reznik has also held other management positions within Deloitte & Touche’s corporate finance office in Canada as well as in the U.K. He is a Chartered Accountant, Chartered Business Valuator and a Certified Fraud Examiner, and holds a Bachelor of Commerce degree from the University of Manitoba, Canada.

“I am looking forward to working with this team to drive future growth in the Company’s core business and through complementary merger and acquisition opportunities,” said George Reznik.

In addition to overseeing the Company's finance and accounting functions, including securities compliance and financial planning, Reznik will play a significant role in the Company’s overall strategic direction including merger and acquisition and overall business growth.

Q2 Earnings Release

Digital Dispatch will announce its Q2 2006 financial results on Thursday, August 3, 2006, before the opening of the Toronto Stock Exchange. The financial statements and MD&A will also be available on the Company’s Web site at that time.

Digital Dispatch and Unified Dispatch Collaborate for Automated Booking System

Digital Dispatch and Unified Dispatch, LLC, (UDI) have entered a new agreement whereby UDI's UniBook automated booking solution will be available to Digital Dispatch's customers worldwide only through Digital Dispatch.

"UDI's automated interactive voice booking system is one of the most comprehensive products of its kind and complements our applications by extending their capability and making them even more comprehensive," said David Wang, CTO for Digital Dispatch. "This will enable taxi companies to expedite the call-taking process and offer more self-serve call booking options with existing resources."
