## Digital Dispatch Closes Mobisoft Acquisition

**Richmond, BC, October 9<sup>th</sup>, 2007** – Digital Dispatch Systems Inc. ("Digital Dispatch") (TSX: DD), a leading provider of mobile data solutions, announced today that the acquisition of all of the shares of Mobisoft Oy ("Mobisoft") was executed and closed on Monday October 8<sup>th</sup> and the transaction is effective October 1<sup>st</sup> 2007. The acquisition was done through the Company's UK subsidiary. The consideration remained unchanged from what was disclosed previously in the press release dated October 1<sup>st</sup> 2007.

A total of 1,280,000 Digital Dispatch shares were issued as part of this transaction and these are subject to a 4 month hold period. After issuing these shares, Digital Dispatch has a total of 13,143,201 shares issued and outstanding.

In addition, the Company has, from its existing Employee Stock Option Plan, issued 200,000 stock options, vesting over a period of three years with an exercise price of CDN \$3.00, to the employees of Mobisoft to purchase Digital Dispatch common shares from treasury.

### Forward-Looking Statements

This press release contains statements which, to the extent that they are not recitations of historical fact, may constitute forward-looking information. Factors that could cause actual events or results to differ materially from those suggested by these forward-looking statements include, but are not limited to, the successful integration of Mobisoft as per the Company's strategic diversification plan referred to in the Company's press release dated October 2, 2007 and other factors described in Digital Dispatch's reports filed on Sedar, including its Annual Information Form and financial report for the year ended December 31, 2006. In drawing a conclusion or making a forecast or projection set out in the forward-looking information, the Company takes into account the following material factors and assumptions in addition to the above factors the Company's ability to execute on its business plan including acquisitions and business combinations; the acceptance of the Company's products and services by its customers; the timing of execution of outstanding or potential customer contracts by the Company; the sales opportunities available to the Company; the Company's subjective assessment of the likelihood of success of a sales lead or opportunity; the Company's historic ability to generate sales leads or opportunities; and that sales will be completed at or above the Company's estimated margins. This list is not exhaustive of the factors that may affect our forward-looking information. These and other factors should be considered carefully and readers should not place undue reliance on such forward-looking information. All forward-looking statements made in this press release are qualified by this cautionary statement and there can be no assurance that actual results or developments anticipated by the Company will be realized. The Company disclaims any intention or obligation to update or revise forward-looking information, whether as a result of new information, future events or otherwise.
