Patrick Nangle joins DDS Wireless as President of Digital Dispatch Unit

Richmond, BC, June 10, 2010 – DDS Wireless International Inc. announces today the appointment of Patrick Nangle to the role of President of its Taxi business unit, Digital Dispatch.

Patrick Nangle comes to DDS Wireless with a background that spans a variety of general management settings, with a particular focus on international operations. His most recent assignment was as COO responsible for North America and Japan at Neopost, a French company providing mail technology solutions with worldwide revenues in excess of \$1 billion. He has significant international experience, including six years as President of Ascom Mailing Systems based in Switzerland.

"We are very pleased to welcome Patrick to our senior management team", said Vari Ghai, CEO of DDS Wireless. "Patrick brings a wealth of senior leadership experience in key areas such as business development, strategy, growth and international expansion."

"I am excited by the opportunity to join DDS Wireless and contribute to its ongoing success. The Company's state-of-the-art offer and strong team position it well to serve the needs of its customers and further strengthen its market position", said Patrick Nangle, President of Digital Dispatch.

About DDS Wireless International Inc.
